

COLT STARTING CLINIC

Morning Clinic with **'Mule' Thornbrugh**. This 4 day clinic will focus on building a foundation of self-confidence for the horse, key to the horse realizing its' full potential. In addition to flexion, yielding and impulsion, the clinic will cover the following elements of the training process:

- 1) When to apply pressure, when to apply patience
- 2) Teaching the young horse to 'seek the release'
- 3) Creating a balance between confidence and 'freedom to resist'
- 4) 2 Stages of Control; Emotional and Physical

Upon completion, participants will be able to take with them skills necessary to produce trusting, willing and eager to please horses ready to go to work on the ranch, or any discipline. You are going to be amazed at what you and your colt will accomplish in these 4 days!

Bring your own colt or one can be provided with prior arrangements.
